IEC Inclusive Engineering Consortium

AFFILIATE MEMBERS

Georgia Tech · Johns Hopkins University · Lamar University · Rensselaer · Santa Clara University · SEATTLE U · Texas A&M University · Berkeley University of California · UC San Diego · University of Delaware · ECE | Florida Electrical & Computer Engineering · Illinois Urbana-Champaign · TEXAS The University of Texas at Austin · University of Washington · Virginia Tech

CORPORATE MEMBERS

FLUKE · Infineon · Tektronix · KEYSIGHT TECHNOLOGIES · leidos · QUANSER · Sandia National Laboratories

CORE MSI MEMBERS

Alabama A&M University · FIU Florida International University · Hampton University · Howard University · JSU Jackson State University · Morgan State University · Navajo Technical University · Norfolk State University · North Carolina Agricultural and Technical State University · Prairie View A&M University · Southern University · Tennessee State University · Tuskegee University · University of Maryland Eastern Shore · UAGM · UTEP · The University of Texas Rio Grande Valley · University of the District of Columbia · VSU

2to4 PROGRAM IEC 2to4

IEC 2to4 Facilitated Transition from 2 Year to 4 Year Engineering Studies

THE IEC VISION

The overall IEC vision is to be at its core *a **collaboration of Minority Serving Institutions (MSIs) Working as One to Advance the ECE Enterprise***. It is organized as a virtual super department with broadly based strengths in education, scholarship, and service. Collectively, IEC can function as the equal of any ECE program, accomplish more and have a greater impact through access to resources and opportunities not available individually.

SCHOLARSHIP ELIGIBILITY REQUIREMENTS

- Completed coursework as a degree-seeking student at a community college
- Be a U.S. citizen or permanent resident
- Planning to be enrolled as an undergraduate student for the 2024-2025 academic year
- Be pursuing an electrical or computer engineering degree or a degree in a closely related technical field
- Have an intention to attend one of our Core Member Institutions or you are a current student at one of our Core Membership Institutions
- Be willing to participate in a mentorship program

HOW TO APPLY

- **Apply at www.iec.org/IEC-2to4**
- The online application for the 2024-2025 academic year is open now. The application will remain open as funding is available. The application will include:
- General student background information, including contact information
- Resume
- Transcripts

STUDENT BENEFITS

PROFESSIONAL DEVELOPMENT
- Leadership
- Teamwork
- Communication
- Mentoring
- Networking

ACTIVE ENGAGEMENT
- Ambassadors Program
- Peer Mentoring
- Liaison with Key Student Organization

FINANCIAL SUPPORT
- Scholarships
- Summer Internships
- Academic Year Stipends

TRANSITION SUPPORT
- Transfer Portal
- 2-Year & 4-Year School Advisors
- Peer Advising & Networking
- Supplemental Resources
- Community Engagement
